From Pastor Janel

The Christmas season in Bethlehem brought the spirit of Moravian hospitality and love to the thousands of visitors who visited our Putz and Star and Candle Shop, took a tour of the church or chapel, worshipped with us, attended a University or Academy vespers service, or wandered through the streets, filled with peace of the beauty of lights and candles (and snow this year!). I am most grateful to our amazing volunteers, including the Sacristan corp who puts in a healthy dose of overtime this season!

In a season of joy and light, we were grounded in liturgies and prayers from Sanctified Art and our seasonal theme, "In the time of King Herod, Insist on Hope". Sunday after Sunday we were reminded not to deny the fearful times we live in: those facing medical diagnosis and the loss of loved ones, the times of political division and outrage, and the attacks on some of most vulnerable in our society - the immigrant and refugee, the unhoused, and those with food insecurity, and the list could go on. We awoke to news in mid-December not only of a horrific shooting at Brown University but also a direct attack against the Jewish community in Australia, and the violence around the world continues. We might be tempted to throw up our hands and give up hope.

The season we enter, Epiphany and the visit of the magi from afar, faced their own threats of violence and justified fear, and these "wise men" charge us to do something different. To **"Insist on Hope,"** as we have said throughout Advent, and in so doing to take a step into the unknown, knowing that we do not go alone.

And so, in the quieter times of January and February, we continue to insist on hope by living this way. Feeding the hungry and gathering with friends and community. Protesting injustices and writing letters to those in power. Reaching out to those going through a hard time; whether it is a cold and dark season (literally) or one that they face because of grief, illness or other reasons. Insist on Hope in Epiphany and the season beyond.

"Today, God, we pray for courage. In a world that is rattled with fear, fill the sky with stars and guide our steps, so that, like the magi, we might walk toward you in courage. For if we're honest, the world is a scary place.We fear change. We fear death.We fear being alone or not being enough.We fear the Herods of the world, just like we fear losing our way. Today we pray—make us like the magi with courage to keep walking, dreaming, hoping, seeking and reaching. Reaching toward you and reaching toward each other."Amen. *(Adapted from A Sanctified Art LLC | sanctifiedart.org.)*

Zoom Book Study "Seven Spiritual Gifts of Waiting"

Join Karen Brady, Brenda Hoelman, and Diane Kessler as they lead a four part Zoom book study, Sundays in the cold winter months at 4 - 5:30 p.m. on Zoom, starting January 11th. The dates will be Sundays (skipping MLK weekend), January 11, January 25, February 1, and February 8. Grab a hot drink and get in your cozy chair and join us by a click of the link which you will receive after signing up. Please prepare for the first group by reading pages 11-27 and answer the questions on pages 26-27 the best you can. We will discuss these in class.

For America, waiting presents an enormous challenge. We are impatient, "fix-it" kinds of people - and not all situations can be fixed. This book presents seven spiritual gifts that waiting can teach us: Patience, Loss of Control, Live in the Present, Compassion, Gratitude, Humility, and Trust in God. We will do two gifts each week. The book is $11, available on Amazon or we will have some copies available for you in church.

Please sign up and get the Zoom link by contacting Diane Kessler at dekessler5@gmail.com.

Successful Advent and Christmas Tours and Winter Break

Over 500 visitors came through the Old Chapel and Sanctuary in November - and we estimate nearly 1,000 in December! Our thanks to all our dedicated tour guides and greeters. Tours will take a winter break and the last Old Chapel and Sanctuary tours will be on January 2 and 3. We'll start again on the first weekend of March. We would love to have you help us this new year to share not only the history of our church, but also the living heritage and ongoing ministries of sharing God's love. As Bob Wascura, a dedicated tour guide shared in worship, this is a new form of missionary work - sharing the good news of a community that welcomes all and cares for the greater world over the course of almost 300 years! Talk with Betsy Miller if you would like more information about how to be a greeter or tour guide. And all are invited to learn more at our Tour Guide Schmaus on January 3rd at 12 p.m.

Schmaus(es) Galore!

What's a Schmaus? It is a celebratory meal - a tradition at Central to finish an event or an activity with a meal and time together.

What's the plural of Schmaus? I'm not sure - but it is happening on Saturday, January 3rd!

Putz Schmaus: After you help break-down the putz for the end of the season, join us at 12:30 p.m. for a Putz Schmaus in the CE building. All hosts, greeters and Putz builders and helpers are invited to join us. Sophie Rice, our volunteer putz coordinator, will lead some informal conversation about how the putz went this year and take feedback for improvements or ideas for next year!

Tour Guide Schmaus: We would love to finish out our season (before taking a winter break in Jan. and Feb.) with a Schmaus and a time for feedback from our tour guides and greeters. Join us at noon on Saturday, Jan. 3rd in the sacristy of the Sanctuary (the last day of tours at 2 p.m.). There will be great food - but also time for feedback and visioning for future improvements and ideas when we return in March.

Annual Church Council

All members of Central Moravian Church are invited to participate in the Annual Church Council on Sunday, January 25 in the Sanctuary immediately following the 11 a.m. worship service. At Church Council, we review printed reports from our boards, committees and organization. We discuss and vote on our budget for the coming year. Names of nominees are brought forward for lay leadership positions.We encourage our groups and committees to report on activities in 2025 and plans for 2026. **Please submit reports to the church office by January 7.**

Rev. Dr. Martin Luther King, Jr. Event

Second Baptist Church is continuing its long-standing tradition of celebrating the Rev. Dr. Martin Luther King, Jr. and has partnered with Central Moravian, Bethlehem Area Moravians (BAM), Moravian University's School of Theology, and Bethlehem Interfaith Group (BIG) to create a community-wide celebration this year on Sunday afternoon, January 18, in Foy Hall. Stop by any time between 2 and 3 p.m. to journey through history while enjoying light refreshments as young members of Second Baptist embody historical figures including Harriet Tubman, Rosa Parks, and Dr. King in the lobby.

At 3 p.m., presentations celebrating Dr. King's interfaith legacy begin in Foy Hall Auditorium with speakers from Christian, Jewish and Muslim traditions sharing their insights. Music and dance performances on stage will follow as well as a renowned performer presenting Dr. King's oratory.

Since January 18th is Christian Unity Sunday in the Moravian Church, what better way to demonstrate our unity with Second Baptist Church and our commitment to our interfaith brothers and sisters?

Thank you to everyone who donated to Cynthia's in 2025. We are overwhelmed by your generosity and the quality of clothing and other items. We serve more people each month so please keep us in mind again this year.

January & February Offering Envelopes

Nepali Outreach (January 4): Thanks to continued support, Nepal's Shristi Academy and International Kindergarten continue to grow and thrive. Shristi now covers grades 1 - 10 and all grades are preparing for national exams. Both schools host many events during the year, including Shristi Science Fair, IKG Winter Program, Shristi Winter Camp and field trips all over the country. Vani and Shanti Pradhan send heartfelt thanks to US Moravians for prayers and gifts. To make donations, watch for special envelope opportunities or contact the Church Office.

Endowment Fund (February 1): This money will go directly toward unrestricted use by the Board of Trustees. Earnings from this fund are used to help support the programs and mission in the annual Operating Budget of the church. The purpose of our endowment is to secure the financial future and well-being of Central. Over the past decades, many individuals and estates have provided gifts to our endowment. Planned Giving is also an excellent way to give to the endowment. As the donor, you may designate your gift as unrestricted or restrict the use of your gift for a specific purpose, for example: the music program, Christian Education, care for our historic buildings, or other specific interests. Currently, we have many restricted and unrestricted funds that make up the General Endowment Fund at Central Moravian Church.

Stewardship One-Liner

Reduce, Reuse, Recycle; Use Less Plastic

- Here's a New Year's Resolution for most of us: Clean out your inbox! All emails, even the ones parked in your inbox, consume power thanks to the network of data centers around the world that store and manage delivery of our communications. An average year of email could have the impact of driving 200 miles!
- Here's another resolution: Take a hike! Or just walk around your neighborhood. Dress for the weather; you'll be surprised how the fresh air and exercise will improve your fitness and attitude. And, according to recent studies, combined with a good diet, a regular routine of walking just 30 minutes/day helps ward off dementia! Bring along a bag while you walk. Collect trash and recyclables Set a good example for your neighbors and clean up your neighborhood.
- It may seem early, but it's time to contact your local CSA (Community Supported Agriculture) to purchase a 'share' for the upcoming growing/harvestings season. http://www.buylocalglv.org/csa/
- According to PennEnvironment, there are 39 municipalities in Pennsylvania with bans on plastic bags, but no statewide ban. Write to your state and local legislators, urging them to introduce legislation in support of a ban on single-use plastic bags. Here's a disturbing fact: in the US, the average family uses 365 plastic bags per year; in Denmark, that number is 4.
- Check and clean your dryer exhaust vent regularly, and clean the lint filter after every load. This improves your dryer's efficiency and reduces the fire hazard.
- Fill your home with houseplants and purify the air. Take cuttings of your favorite, root them and share with friends and neighbors.
- Serve a meatless meal at least once/week: better for you, and better for the planet! And try to eat beef only one meal/week. Watch the Netflix program "You Are What You Eat: A Twin Experiment". Educate yourself about healthy eating.

Hurricane Melissa – Jamaica and the Caribbean December 2, 2025

The Board of World Mission (BWM) has received a second, more detailed report, from the Provincial Board of the Moravian Church, Jamaica and Cayman Islands Province (MCJCI) about the needs following Hurricane Melissa. The extent of the destruction is becoming clearer as assessments are conducted in more communities.

According to this latest report, 37 of the province's 64 Moravian congregations have been affected in some way, and nearly 50 church-owned properties—including churches, manses, and schools—have reportedly suffered some degree of damage. Of these, five buildings have been completely destroyed, 16 have lost their roofs entirely, 14 have partial roof damage, and 13 have minor damage. The Provincial Board currently estimates $1.6 million USD in damage to church-owned properties. This amount does not include the additional funds needed for the church's broader community response.

The Provincial Board also stated it needs more financial help to keep paying salaries for pastors and staff, which is about $25,000 each month. It also needs funds for relief and rebuilding supplies for congregations and families. The Board continues to work hard—mobilizing volunteers, sharing information, finding temporary housing, and securing new worship spaces for congregations whose buildings are no longer usable.

The devastation extends far beyond church properties. It is estimated that 150,000–200,000 homes across Jamaica have been damaged or destroyed, placing immense pressure on local communities and the national response.

Thanks to the generosity of many donors, the Board of World Mission has now sent $40,000 to the MCJCI Disaster Response Fund to support the Provincial Board's immediate efforts. Additional support remains urgently needed.

Volunteer Interest Sign-Up: Plans are underway to repair and outfit Camp Hope (Jamaica) as a future hosting site for short-term mission teams. While this process is in the very early stages, we have already heard from many individuals, congregations, and groups eager to assist with relief and rebuilding efforts.

If you, your group, or your congregation would like to indicate interest in potentially participating in a future mission team, please visit MoravianMission.org/serve to complete a brief online form. This helps us prepare appropriately and communicate next steps when the time comes.

Donation Matching Challenge: In a remarkable expression of faithful partnership, the London Moravian Church in Cambridge, Wisconsin, has established a $30,000 matching challenge for Hurricane Melissa relief. This small

congregation has not drawn from its endowment fund in eight years, yet felt profoundly called to act in this moment. The leadership of the London Moravian Church has invited Moravians across North America to join them in meeting—and prayerfully exceeding—this matching opportunity. All gifts designated for MDR will be matched dollar-for-dollar up to $30,000, doubling the impact of every contribution.

Support Moravian Disaster Response: 100% of donations received for our MDR Fund go directly to providing relief for these disasters. You can assist us with our disaster response efforts by giving online at MoravianMission.org/Give. Please designate your gift to "MDR."
