From Pastor Janel

What is Strategic planning? According to Merriam Webster, a strategy is "a careful plan or method for achieving a particular goal" and strategic is what is necessary to or important in the initiation, conduct, or completion on the plan.

Strategic planning, in its ideal state, helps us start, carry out, AND complete a goal. Count Nicholas von Zinzendorf, religious reformer and leader of the 18th century Moravian Church, wrote countless hymns, sermons and other writings.

The one that sticks with me the most is this short quote:

"There is no Christianity without Community"

And as I thought about what I would like our next strategic planning process to focus on (we completed the last in 2025), there was no better goal for a faith community than BUILDING COMMUNITY.

Our Boards are happy to introduce and will be inviting our committees, teams, and ministries of the church into a conversation about how they build community, what ideas they have and what challenges they face this fall. We hope to then identify different areas of focus, for example, Buildings and Grounds, Christian Education, Music, Social Action, etc. to carry out a three year rolling strategic planning process where committees, ministries and the boards continue to review the goals each year.

Why build community now? August 13, 2027, will mark the 300th anniversary of the spiritual renewal of the Moravian Church in Herrnhut in 1727—an experience rooted in reconciliation, renewed faith, and Christian community. This anniversary gives Central an opportunity not only to celebrate our history, but also to consider what that history calls us to be today and in the future. We believe that asking this question now: "How are we building community now—and how will we build community for the next generation?" will help us recognize where our community is nurtured and build today with an eye for what is needed in our future.

Our Goal. As we approach this important 300th anniversary, our goal is not simply to celebrate the community that existed before us. It is to intentionally build the community that comes next.

But what do we realize now? We already have a strong and vibrant community - in many forms - due to our amazing dedication, joyful service and loving compassion of volunteers, staff and wonderful community partners. **And, we are thrilled to be welcoming in worship on November 1st, a new Director of Music, the Rev. Scott Siciliano (read more about Scott on page 2)!** So thank you for building community in so many ways.

Welcome to the Rev. Scott Siciliano, New Director of Music

With thanks to God's guidance, we are overjoyed to share that Central has chosen the Rev. Scott Siciliano to serve as our next Director of Music. After a wonderful search, led by Dr. Paul Peucker, our Director of Music Committee believed that Scott possessed the unique combination of extraordinary musical talent and passionate creativity with a desire to allow these gifts to build and nurture our worshipping community. We affirmed that both his musical and pastoral skills will nurture not only our choirs but also be a gift to the church.

Scott is a graduate of Messiah University and The Lancaster Theological Seminary of Moravian University and the United Church of Christ, holding the degrees of Bachelor of Arts in Sacred Music and Organ, and Master of Divinity. He was ordained to the ministry of Word and Sacrament in 2019 through the United Church of Christ. Scott served as Minister of Worship and the Arts at Colonial Park United Church of Christ in Harrisburg PA, for eighteen years and as Chapel Organist and an adjust instructor of worship at Lancaster Theological Seminary. In addition to excelling in piano, organ and several other instruments, he is passionate about composing and arranging music, receiving national recognition for his hymns, sacred songs, and arrangements for piano and organ. You can hear some of his music at youtube.com/ScottSiciliano. While in Harrisburg, he sang with the twice-Grammy-nominated Susquehanna Chorale from 2009-2026. When he's not making music, Pastor Scott enjoys traveling, collecting and restoring antique clocks and keyboard instruments, and caring for his African Violets and flower gardens. Scott, and his beloved husband, Michael, have four wonderful fur-children; Archie, a Husky-Shepherd, and feline comrades (more like antagonists) Billie Jean, Cecil, and Luca.

Scott's ability to connect to and lead our choirs, serve as a good staff team member among our staff, possess theological training and background in the United Church of Christ (including experience as an ordained UCC pastor), and nearly 20 years of experience in serving at Colonial Park UCC Church all were highlighted in our decision-making process. His appreciation for the Moravian Church, through his experience in working part-time with the Lancaster Seminary (which recently merged with Moravian Theology Seminary to become the Moravian University School of Theology) was clear throughout his interview process.

Pastor Scott writes, "I am passionate about worship, its centrality to the Christian faith, and its role in inspiring and strengthening the community of Christ to live the Gospel, and I am excited to bring my experience and creativity to Central's vibrant worship life."

We look forward to welcoming Rev. Scott Siciliano and his husband Michael to our community this fall, with his first day in worship being Sunday, November 1.

Thank You Luke

We are most grateful to our interim organist, Luke DiGiacinto for his dependable and skilled interim work with us over the summer and this fall at Central. Luke was such a blessing to have not only as a musician, but also with his knowledge of the Moravian services and his wonderful and loving nature. We wish him all the best as he accepted a position with Grace Church of Bethlehem as their organist this November. Luke's last day will be October 25, when we will have a special celebration for him after the 11 a.m. worship service.

Blessing of the Animals

On Sunday, October 4th, we invite you to bring your pets (or a photo if they don't travel well) to the lower church green at 2 p.m. (right outside the NE door), for our annual *Blessing of the Animals*. Children are welcome to bring a favorite stuffed animal for a blessing as well. If you have lost a pet, feel free to come as we also will have a time of silence and remembrance. This is a wonderful service to give thanks for all of life that God has created!

Special Worship Service - October 18 and Guest Preacher - Noon Service Only

As we welcome the Bethlehem Running Festival to the city of Bethlehem, we will again worship during one service only on Sunday, October 18th at 12 p.m. in the Sanctuary. Last year, this extra hour made sure that we were easily able to get to church without any traffic concerns and enjoyed this fall one service worship together.

This year, we are excited to welcome Bishop Paul Patrick, Senior Pastor of Second Baptist Church to our pulpit as our guest preacher for this 12 p.m. October 18th worship service. Pastor Paul and his wife Pastor Tara Patrick have been connecting with their faith community of Second Baptist Church to Central for several years; partnering to put together a city-wide Martin Luther King, Jr service and engaging in small group learning opportunities with members from both congregations as an initiative of our Racial Justice team at Central. Bishop Paul served a church in New York before coming to the Lehigh Valley to serve Second Baptist in 2019, introducing and merging his other mission work "Christ Centered Life Ministries" with his congregation here. We have appreciated Bishop Paul's dynamic preaching and inspired leadership and are so glad that he can join us in worship on October 18.

Registration is required and limited to the first 50 registrants. Click here to register. https://docs.google.com/forms/d/e/1FAIpQLSd13a33iYEMG5-ZgCdb5mrmczucOqED3BOueKd7cp_EA8qlwQ/viewform

CROP Walk - October 18

Take a walk around our beautiful city and help us raise awareness and funds for hunger relief. Join us for the annual CROP Walk on October 18, starting at 2 p.m. at Central in the Christian Education parking lot. Following the worship service (Oct. 18th's worship is at 12 p.m. only. We will have a free lunch in the Christian Education building for all walkers too!). This year's walk is about 3 miles and will include a loop to visit the Hispanic Center of the Southside where an active food pantry and other ministries help residents of our city. 25% of the funds raised supports local feeding ministries and 75% address international hunger relief through our long-term partner Church World Service. Last year's walk gathered nearly 100 participants from many of our faith communities, as well as university students.

We would love to have you walk or share a donation to help the Central team by registering here—https://events.crophungerwalk.org/chw/team/central-moravian-church-2 or use the QR code.

Associate Dean (Bethlehem Campus) and Professor of the Practice of Ministry of the Moravian University School of Theology, Riddick will speak about "Jesus Feeds 20,000?"

Riddick writes, "Now that I have your attention: I don't think so. Each gospel records the feeding of the 5,000, but each gospel writer tells the story and uses the story in different ways to fit with larger themes within their gospel. Over these three weeks we will compare and contrast each writer's account, noting some significant and unique details, to help us see the richness of this story and different ways we can apply it to faith."

Join us in the Christian Education building for this enriching discussion while enjoying coffee and donuts in the lower level of the CE building! All are welcome!

Mental Health Awareness, Did You Know?

Sponsored by Central Moravian's Mental Health Team

Cyberbullying: Among students ages 12-18 who reported being bullied during school, 21.6% were bullied online or by text. (*National Center for Education Statistics*) When students were asked about the specific types of cyberbullying, they had experienced in the previous 30 days, mean or harmful comments posted online, exclusion from group chats, rumors spread online, or someone embarrassing or humiliating them online were the most commonly reported. (*Patchin & Hinduja*)

The type of cyberbullying tends to differ by gender. Girls were more likely to say that someone spread rumors about them online, while boys were more likely to say that someone threatened to hurt them online.

If you or a loved one is experiencing a mental health crisis, please call or text the national suicide and crisis hotline at 988, call 911, or go to your nearest emergency room.

Reduce, Reuse, Recycle; Use Less Plastic

Psalm 65:12-13 ESV The pastures of the wilderness overflow, the hills gird themselves with joy, the meadows clothe themselves with flocks, the valleys deck themselves with grain, they shout and sing together for joy.

- Move away from microbeads! Stop using body scrubs, face washes and toothpastes laced with microbeads. These tiny plastic balls are so small they sail straight through filtration systems and end up in our oceans and fresh waterways…8 trillion every day, according to scientists.
- Dentists remind us to floss our teeth daily. But most of us use plastic dental floss. And some of that plastic probably winds up inside us! Talk to your dentist and consider the alternatives: silk, cotton, even corn-based floss is available.
- Do you have trouble getting organized? There's a website for that! Rather than tackling things all at once, this program takes you room-by-room to a more organized home. It's free! Check it out: https://www.home-storage-solutions-101.com/organized-home.html
- It's time to go through your kitchen cupboards/pantry. Do you have packaged/canned food that is nearing its expiration/'best by' date? Take those items to the Food Pantry at Central, rather than letting them expire in your cupboard. Look through the jars and bottles in your refrigerator, too. Get rid of expired items and any 'science experiments' that may be growing there. If those expiration/best by/sell by dates confuse you, check out this website for an explanation:
