Welcome to Central's New Pastor Rev. Becky Lepore!

Standing ovation and applause was the reation to Joint Board President, Jennifer Ceneviva's announcement that Becky accepted the call to serve as our new Pastor of Congregational Life. This position, previously known as the associate pastor role, was thoughtfully updated to better reflect the particular gifts, ministries, and areas of care Becky will bring to her work within our congregation as she joins Pastor Janel Rice in ministry.

Becky was ordained at Central Moravian Church on Sunday, June 14, and the livestream is available on our YouTube Channel. She will begin in July and be installed during 10 a.m. worship on Sunday, July 5. Becky's email and office will remain the same, but she will transition out of any oversight of our music ministry.

After spending many years involved in worship and music, Becky felt the stirrings of the spirit to attend seminary, and recently reflected,"Although I always loved music, the music itself was never the end goal," notes Lepore. "Instead, music was an expression of my faith and love for God and a meaningful way to help people realize their own unique gifts and strengths." We are most grateful to God's guidance in this process and God's call to Becky to serve as our Pastor of Congregational Life.

Pastor's Column - from Pastor Becky

What a delight to write my first "From the Pastor" column, and what a perfect opportunity to say thank you! Since that first Sunday in September 2002, when I began my role as the Director of Music and Organist, you nurtured, mentored, taught, guided, inspired, and encouraged me in both music and in my relationship with God. Along the way, you decided that the name Minister of Music more aptly described my role, and I was humbled.

From the time that I began discerning my call to ordained ministry and throughout my entire seminary education, you supported me again and again. Between my graduation from Seminary and my ordination, your emails, cards, texts, phone calls, your presence, and most especially, your prayers and your expressions of love and care have been overwhelming, and I am filled with gratitude.

What a privilege and honor to be called to be your Pastor of Congregational Life. Because the call process is one that requires confidentiality, it was excruciating not being able to talk about this new role and share my joy! So, please forgive me when I could not be truthful or transparent about what was next after graduation.

I am both overjoyed and humbled to be called as your Pastor of Congregational Life. What is a Pastor of Congregational Life? It is exactly as it sounds. Whereas Pastor Janel, as Senior Pastor, will have responsibilities as being Head of Staff and supporting areas of ministry pertaining to all things Personnel, Finance, Property, Governance, Communication, History, World Heritage and Tours, Emergency Preparedness, and Community Relations, I will support the ministries of the congregation: Christian Education and Spiritual Formation (growing in faith), Social Action including Mental Health, Food Pantry, Cynthia's Boutique, Racial Justice and Care for Creation (serving in faith), assimilation of new members and small group ministry (finding belonging in faith), and IT and Digital Ministry (connecting in faith). Pastor Janel and I will share responsibilities in pastoral care and worship. I will keep the same office and email address, while Janel will be moving to the first-floor office over the summer.

(Pastor's Column continued on next page)

(The new Director of Music, once hired, will take the second-floor office where Janel has been.) My office hours will be Monday through Wednesday mornings and Friday mornings. Meetings, appointments, and visiting will take place in the afternoons, and committee meetings in the evenings. Thursdays will be my day off.

This past week, as we prayed the Easter Liturgy for Mary Ann Giles' memorial service, I was struck by these words, **"Make us complete in everything good so that we may do your will, working among us all that is pleasing in your sight; through Jesus Christ, to whom be the glory forever and ever. Amen."** Through Christ, may we continue to work together, worship, study, fellowship, sing, and pray together, serve each other, and be the Body of Christ to one another as we share the light of Christ to the world around us.

Celebrations Galore! July 12th: Old Chapel's 275th and America 250!

Celebrate the Old Chapel's 275th anniversary (July 10, 1751) on Sunday, July 12th with a Lovefeast during our 10 a.m. Service in the Sanctuary. As we have spent this year celebrating the Chapel (especially during our wonderful Lenten program), this will be the culmination of events remembering the legacy and celebrating our current ministries in this beautiful space. Following worship, the Bethlehem Area Trombone Choir, the oldest continuously performing brass ensemble in America, will play on the Church Green at 11 a.m. and all are welcome for light refreshments following.

Then stay in Bethlehem as Central joins our World Heritage partners and our greater historic district between Main and Broad for a block party celebrating American 250!

On July 12th, from 12 – 5 p.m., the lower church green of Central Moravian Church, located near the end of Main Street, will be one of the sites taking part in the America 250 celebration. With gratitude for support from the Bethlehem Area Moravian Ministries committees, our seven Moravian churches will come together to showcase several of the church bands as well as the headliner, The Stank Factory at 3 p.m. The Stank Factory is a five piece band inspired by the jazz, funk, soul, and blues sounds of New Orleans led by Moravian University graduate and friend of Central, Patrick Kerssen. We will also share free cotton candy, water and information about our churches at a table on Main Street.

The Old Chapel and Sanctuary will be available for tours during this time, and there will be lots of other vendors, children's activities and promotions throughout the day as we celebrate both our World Heritage inscription and America 250 celebrations.

Chamber of Commerce Milestone Award

On May 28th, Pastor Janel attended the Chamber of Commerce Annual award benefits to accept a Milestone Award to the Old Chapel for 275 years of ministry in our community. A big thank you to the Bethlehem Chamber, the State, County and City for recognizing us! These awards will be displayed in the West Rooms.

Director of Music Search Begins

We are deeply thankful to Paul Peucker for chairing the search committee for our new full-time Director of Music position, and we are grateful to Luke DiGiacinto for serving as our interim organist throughout the summer months during this transition. We will start interviews over the summer with the hopes of a new director of music starting in late fall or early 2027. Applications or inquiries for more information can be sent to employment@centralmoravianchurch.org. We are so grateful for the continued support of Luke and Richard Miller, our Old Chapel organist, who will stay on for the 2026-2027 season.

2026 High School Graduation Grant

This is our ninth year for Envelopes for Education, to honor our high school graduates with a monetary gift from the congregation. Sunday, June 7 was the date when we recognized and honored this student. We are delighted to present Alysa Jones who graduated from high school this year.

Alysa graduated with a high school diploma from Northampton Area High School. She was honored with the Lehigh Career and Technical Institute's (LCTI) outstanding senior for the Services Occupation Cluster Food Services Program. Alysa will be continuing her education through the LCTI Bridge Program – a multi-discipline apprenticeship. She is the daughter of Annie and Dave Jones.

Thank you to all those who donated to this program – this was our ninth year to honor our church graduates!

A Peaceful Village: Visit to our World Heritage Partners - Gracehill Moravian Church Settlement

It was an honor to represent Central Moravian, along with my husband Christian, our World Heritage Site Coordinator Stephanie Augello (from Mayor Reynold's office), Dr. Katie Faull, the World Heritage Site Manager, and Dr. Bryon Grigsby, President of Moravian University, as we travelled to Gracehill, Northern Ireland/UK.

Not only was this my first trip to Gracehill, but this was my first trip to Ireland and Northern Ireland, and it was a special opportunity to spend a few days before our gathering to visit Dublin and the surrounding castles. (If I have seemed more eloquent, I did kiss the Blarney Stone!). We enjoyed a few days of travel both in Dublin and Belfast, and I spent a day in our Transnational Coordination Group meetings for the UNESCO World Heritage Moravian Church Settlements site. With abundant hospitality, the Gracehill Moravian community welcomed us to tours, celebration meals, and even the opening of a wonderful new garden celebrating a beloved 18th century Moravian Brother and Sister Shewkirk (see https://www.moravianchurcharchives.org/category/digital-access/ for more information). Of course, the highlight was the chance to make and renew worldwide Moravian relationships and continue to build our global Moravian community as we are a transnational World Heritage site. Stay tuned for more information soon!

Confirmation Class

Confirmation in the Moravian Church is an important time when young adults who were baptized as infants or children, can confirm their faith by publicly affirming that covenant that was previously made for them by their parents. Confirmation classes are a time to ask questions about God, to learn about the Bible and beliefs of the Moravian Church, and to build a foundation of faith.

A yearlong confirmation class taught by Pastor Becky will begin in August for any interested individuals ages 12–16. If you are interested in learning more about confirmation class, please email Becky at Becky@centralmoravianchurch.org

Richard Miller's Retirement May 2027

In early June, Richard Miller let us know his decision to retire as Chapel Organist and Chapel Choir director, effective May 31, 2027, marking 33 years of service at the Old Chapel. Please note that this means Richard will still play for the entire Chapel 9 a.m. worship season — from September 13th, 2026 – May 23rd, 2027. Between Becky and Richard, that's 59 years of music making at Central Moravian Church! Such long tenures are evidence of the rich blessings of talent, compassion, love for God, and love for one another that abound within the choirs and congregations of our sanctuary and chapel.

So what comes next? In the interim, Luke DiGiacinto has graciously agreed to serve as interim organist beginning in July through October, and Allen Frank will assist with directing the choir. Luke will play for the one summer service through September 6th, and then when we return to our regular worship schedule, Richard will play for the 9 a.m. and Luke will play for the 11 a.m. services. We are so grateful for Richard for playing and directing the Chapel Choir throughout next year.

As we transition to a new Director of Music, this person will take over playing and directing the choirs at both the 9 and 11 a.m. services in fall 2027. We are most grateful to the leadership of Richard Miller in building our Chapel choir and look forward to its flourishing under our new music director's leadership as well.

Korean| English Worship Service: Aug. 2 (Sunday) at 3 p.m. in the Chapel.

We will come before the Lord, who gathers us together, to hear His Word and enjoy faithful fellowship as a loving family community. We would like to invite you to this Korean-English worship service. Caring for Our Neighbors: Bethlehem Emergency Shelter

The BES treats everyone who walks through their doors with compassion and respect. The ongoing support of Central Moravian Church contributes to making the BES mission possible.

During the 2025–2026 shelter season, as many as 70 men and women came to the shelter for a safe place to sleep, a hot meal, and a warm shower. Once the season ended, the shelter continues its work by distributing bagged lunches and working alongside the Bethlehem Area Public Library to offer a Resource Navigator to help our unhoused neighbors cut through complex systems and connect with the support they deserve.

Bed Count Totals:

- 7,282 bed nights provided to men
- 4,213 bed nights provided to women

Bed Count Breakdowns:

- 1,000 bed nights provided to veterans
- 2,102 bed nights provided to individuals who were employed, but unable to find housing
- 4,861 bed nights provided to individuals who self-reported mental health diagnosis

Recently, State Representative Steve Samuelson was able to secure a $313,608 grant toward BES's long-term project to convert the shelter to year-round use. You can help support the mission of BES through donations and by volunteering. See Janice Ostock (janice.ostock@gmail.com) about volunteer opportunities."

Busy Workers Thank You

Our Plant and Attic Treasures Sale was held on May 9 and 10 during Mother's Day weekend. Although the weather was not on our side on Saturday — rain, rain! we still had two very busy days with many customers.

Busy Workers would like to extend heartfelt thanks to the members and friends of the Central Moravian Congregation. This sale would not be possible without the volunteers, bakers, plant diggers, and those who donated attic treasures. Financially, the sale was another great success. As a result, we will be able to make additional contributions to church causes and charities in Bethlehem, the Lehigh Valley, and worldwide.

Any remaining attic treasures will be donated to the Salvation Army. Because of limited storage space, we are only able to keep a few items from year to year.

Busy Workers will also be participating in the Bethlehem yard sale in September.

Welcome to a New Staff Position: Tours and Communications Coordinator

Since Central joined Moravian University, Bethlehem Area Moravians, City of Bethlehem, Historic Bethlehem Museums & Sites, and Northampton County to accept the honor of a UNESCO World Heritage, we have been discussing how to best share our history, buildings and living ongoing heritage and ministries today. As a way to expand and assist with the ongoing Friday and Saturday open houses, and bring about a more consistent tour as well as outreach to our local community and businesses, the greater Moravian church world, and others, our Joint Board has approved the creation of a new part-time position; Tours and Communications Coordinator.

The job is described as follows; Following with the Moravian heritage and tradition of a "Fremdendiener" ("Guests' Servant"), this position will serve to welcome guests to experience the living and historic values of Moravians and the enduring intrinsic value of this World Heritage Settlement. This position will also assist with communication needs, including social media, print and other opportunities for engagement and education. We are thrilled that this position will help coordinate our many wonderful volunteers, allow us to expand our tour offerings and continue to tell both our historic and living Moravian story to the greater community. We know that this is a special outreach opportunity as we welcome in people to hear about a living faith and history built around community, equality and love and send them back into their own communities to tell this story in their own ways.

We have an excellent final candidate after a search with many qualified individuals, but at the time of this publication we do not yet have the approvals to make this announcement. Please look to the August *Belfry* or your Constant Contact emails for updated news!

Preservation Fund (July 5): Gifts designated to the Preservation Fund are used for capital project expenses to maintain the interior and exterior buildings and grounds, including major repairs and restorations. More income means more monies available to perform the upkeep of our precious historic buildings.

Reduce, Reuse, Recycle; Use Less Plastic

- Save electricity by hanging your laundry outside to dry, with these caveats:
  1. Check the air quality in your area before hanging clothes out to dry. If the air quality is bad, you may want to avoid pollen or other environmental allergens.
  2. If you're over 90, you get a 'free pass' to use the dryer.
- Celebrate Plastic Free July! Try to purchase items NOT packaged in plastic.
- There are about 50,000 self-storage facilities in the U.S. About 10% of Americans rent storage units. Are you one of them? Do you really need the stuff inside? Do you remember what's inside? If not, maybe it's time to declutter and save that monthly fee.
- Are you in the market for a new appliance (dishwasher? refrigerator? Computer?). Be sure to check the Energy Star website to find equipment that will help you save energy (and money!), plus find possible rebates and tax credits. https://www.energystar.gov
- Check out the Buy Nothing Project: https://buynothingproject.org. There are local Buy Nothing groups across the country. Their motto: Reduce Waste: Give away what you no longer need. Save $$$: Get what you want for free Build Community: Meet neighbors and share creatively.
