From the Pastor:

Birthdays have been on my mind lately. Most of our family's birthdays fall between March and July, and our recently reactivated Church Family Life committee is planning a Birthday Social on April 14th (*As an aside, this committee, which is gifted with planning parties, get-togethers and small group programs, would love to have some more members to help plan and work at events*).

However, I never thought of the early Moravian connection and importance of birthdays in the 18th and 19th century Moravian communities until I happened to look at the table of contents of "A Century of Moravian Sisters" and found an entire chapter dedicated to Birthdays. In what strikes me as a bit unusual for my stereotype of a pious and serious religious community of these earlier centuries, it turns out our Moravian ancestors loved to celebrate birthdays! The Daily Text was read at the breakfast table along with the Birthday Book, and those in the Moravian community who had a birthday were remembered and celebrated.

The "Birthday child" was awakened to the sound of the Birthday Hymn outside their door, followed by simple gifts and flowers. Often the afternoon would follow with a private lovefeast for the birthday child or a celebration of some form. Lovefeasts, of course, involve some kind of delicious treat, and it has been widely noted that while Moravians can't claim to be the first to invent cake, we might be the reason that candles are placed on cakes today. In 1746, during a birthday festival in honor of our spiritual leader of the 18th century community, Count Zinzendorf, a large cake was made with lit candles representing each year of the Count's life. We thank the Count for this wonderful tradition in our birthday celebrations!

We continue to celebrate birthdays at Central, with our birthday card greeting ministry, and the publication of birthdays in *The Belfry* each month. Perhaps you can take a moment to pray for and wish each April "birthday child" a special blessing.

Celebrating birthdays should also remind us to celebrate each individual life as precious and gifted from God. It is significant to me to see the early Moravian community celebrate the individual gifts of a birthday child while still holding onto the ideal of living together in community. Even as the common good was held as a central goal, the celebration and attention to the individual, through these birthday celebrations and remembrances, was important.

So ... whenever your birthday is, Happy Birthday, and consider joining us for a piece (or two) of cake on Sunday, April 14th at our Birthday Social and to meet others within your birthday month or even who might share your birthday. Who knows ... maybe you can plan a birthday lovefeast together!

With birthday and springtime blessings,

Pastor Janel

Inquirers' Classes

Want to learn more about Central Moravian Church, the Moravian church's history and our call to love God, love our neighbors as we love ourselves? Want to learn more about the ways that this congregation serves with music, education and a wide array of ways we help our greater community? Want to meet others interested in deepening their faith and exploring a commitment to becoming a member of Central Moravian? A series of 4 inquirers' classes each Sunday in April (April 7, 14, 21 & 28 from 12:15 - 2 p.m.) can lead to church membership if desired. Lunch will be included in each class which will meet in the C. E. building at 40 W. Church Street. Virtual Inquirers' Classes

Are you worshipping with us out of town or physically unable to attend worship in-person, but wish to learn more about Central Moravian? We will be offering a series of Zoom Inquirers' classes to mirror the context of an in-person class for anyone who has been worshipping with us, but would like to take the next steps toward membership. Included in these classes will be the special virtual ways of being involved in service and education at Central. These will be held at 7 p.m. each Sunday in April (April 7, 14, 21, 28) and a Zoom link will be provided. Please RSVP to these classes by contacting the office.

Hearts for Hopeton

Special thanks to Diane Shaw and Rev. Carol Reifinger for putting together a beautiful bulletin board (at the NE door of the sanctuary) entitled "Hearts for Hopeton". Earlier in February the congregation had the chance to offer a short story or saying that helped them joyfully remember the Rt. Rev. Hopeton Clennon. There are additional hearts available there if you didn't get a chance to write something.

Prayers for Central Traveler to Ahuas Clinic

Following medical missionary work in the 1930's in Nicaragua, the Ahuas Clinic was started in 1946 and expanded to serve the greater community and has been overseen by the Moravian Church's Board of World Mission. Central member, Dr. David Lauer, a retired veterinarian, was inspired to learn more after hearing about the clinic from Rt. Rev. Chris Giesler and the Board of World Mission. He will be joining a group of other Northern Province Moravians to learn more about how his skills can help the clinic and the surrounding area April 7 - 14. Please hold David in prayer as he makes this mission trip and learn more about the ministry and service in this part of our Moravian world.

Finding Grace in the Ups and Downs of Life - New Book Study

For the past several months a "Living with Grief" support group has met in the Chapel basement on Monday mornings at 10 a.m. This group would like to open our conversations to others and invites anyone looking to understand God's grace in the midst of challenge to join us for a book study on "Small Victories: Spotting Improbable Moments of Grace" beginning on Monday, April 8 at 10 a.m. and continuing each Monday in the Chapel basement.

Best-selling author Anne Lamott uses personal stories and humor in her own authentic Christian journey to discuss difficult and painful subjects in this book. Our victories over hardship and pain may seem small, she writes, but they change us—our perceptions, our perspectives, and our lives. Lamott writes of forgiveness, restoration, and transformation, how we can turn toward love even in the most hopeless situations, how we find the joy in getting lost and our amazement in finally being found. If you would like us to order a book for you, please RSVP to the office.

Celebrate Your Birthday at the Birthday Social

On Sunday, April 14th after the 11 am. service, we invite everyone who has a birthday to a special celebration in the Christian Education building. We'll have 12 tables, one for each month, and we will be asking for a cake for each month to be made. Consider a special theme for the month you pick (i.e. February's cake could be red or have hearts for Valentine's Day, etc.). The Church Family Life committee will supply sandwiches, veggies, and gluten free options to balance out the cake! Look for the cake sign-ups after church.

Revisioning Faith for the 21st Century featuring Sue Pizer Yoder and Co.Lab.Inq.

On Thursday, April 11 at DeSales University, the Robert K. Campbell Memorial Lecture Series takes place at 3 p.m., featuring Sue Pizer Yoder and Co.Lab.Inq.

How are emerging generations making meaning in their lives? A team of 8 scholars and ministry leaders from across the denominational spectrum formed Co.Lab.Inq, a collective learning laboratory focused on open-ended inquiry, to explore this question. Together they interviewed over 200 people under 40 in search of the lessons they might teach us about belonging, adversity, legacy - and faith.

Through collaborative storytelling conversations focused on truth-seeking and meaning-making, Sue Pizer Yoder and her co-authors Bonnie Bates, Brandon M. Heavner, Joanne P. Marchetto, Jill Peters, Stephen Simmons, Janet Stahl, and James Stahl identify the complex and varied ways Millennials and Gen Z are navigating life and crafting their stories. What do younger Americans have to say about belonging? Where do they find meaning? What challenges are they facing--and how do they confront them? How do they envision their legacies?

Pizer Yoder and her colleagues were surprised to find that in addition to these questions, their conversation partners also wanted to talk about faith--even when they didn't identify with any religious tradition. Come and uncover with us both the critique and blessing we experienced for society and the church.

Copies of their book, *Hear Us Out: 6 Questions on Belonging and Belief* are available online. For additional details and to register visit the website below: <https://lehighchurches.org/event/2024-campbell-lecture/>

Did you know...

For a number years, Central Moravian has had an agreement for its electrical supply for all of its facilities through Constellation NewEnergy, which matches 100% of our electric usage with "Green-e Certified NewMix Renewable Energy Certificates (RECs)", 100% Wind-sourced, and emissions free.

This will be an important part of our new HVAC system being installed in our main sanctuary which will use 100% electric powered heating, cooling and ventilation equipment.

Central Choir – In order to accommodate those who have conflicts on Thursday evenings or choose not to drive in the evenings, we offer two different rehearsal times: Thursday evenings at 7:00 - 8:30 p.m. in the Sanctuary balcony and Sunday mornings at 9:30 a.m. All are welcome. (Please note that there will be no choir rehearsal on Thursday, April 4th, and the choir will not be singing on Sunday, April 7th.)

Chapel Choir – Chapel Organist and Chapel Choir Director, Richard Miller, shares the following: “Last year, on March 5, 2023, 6 of Central’s Korean members sang a hymn as an Offertory during the 9 a.m. service. This year, on May 12, the day of our Christian Family Lovefeast, they will join with the Chapel Choir to sing a Korean anthem for the Offertory, called “Maranata.” Kelly Ahn has been teaching the choir to pronounce the Korean words as best they can. We are eagerly looking forward to singing this anthem in worship.”

SATORI Chamber Music Ensemble – Sunday, April 7 in the Old Chapel at 2:00 p.m. This concert will feature an ensemble of flute, oboe, cello, guitar, and piano presenting music by Haydn, Telemann, and a Gypsy Fandango by Caliendo. No tickets required. Free-will offering.

Music Committee Meetings: Tuesday, May 7th at 6:00 p.m. via Zoom.

“The Story of the Church” New Adult Sunday School

After the resurrection, there was a group of Jesus’s followers, figuring out what to do next. Join Dr. Brigidda Bell, New Testament professor at Moravian Theological Seminary, as she leads a class on “The Story of the Church” through the book of Acts at 10 a.m. each Sunday morning in the Christian Education building at 40 W. Church Street, Bethlehem.

HVAC Project Update

Peak into our Sanctuary basement on a typical day and you may see old brown ducts being removed and new shiny ducts installed, about 40% complete. Parts of the large interior energy recovery ventilation units have been delivered to our site via a crane parked on Church Street and installation of the exterior heat pump condensers is in process within the Southside landscaping bed. All piping, part of the new variant refrigerant flow system, is stored on site. Future progress will include new pew-end supply-air grilles, installation of multiple heat pumps air handlers and, you guessed it, more ductwork.

a church mouse anniversary celebration

hello
and march greetings
and lets celebrate
and we can because this is the 300th report
and i have been writing these monthly messages since
april 1998
and so this month is also the 25th annual anniversary
celebration
and i found a watchword card from this years
distribution
and the hymn verse read
o enter then his gates with joy
within his courts his praise proclaim
let thankful song your tongues employ
o bless and magnify his name
and i thank the lord for this heavenly confirmation
and feel the church mouse reports although not in
song are joyful
and they do magnify his name
and with this factual and sometimes fanciful reportage
and i hope i enlightened you
and entertained you
and provided solace for your souls
and infused joy in your hearts
and i celebrate my mission to remind you
and joyfully proclaim for the 300th time – jesus loves
you
and so do i

Special April Offering Envelop

Sikonge Partnership (April 7): Central Moravian Church has been in partnership with the Sikonge Moravian Church in Tanzania since 1991. Our first efforts were to help build a new church for the community. Over the years, we have assisted in a number of other construction projects. Contributions from Central have helped dig wells, build churches, while providing clothing, school fees, books, desks, and supplies for children, equipment for the handicapped, assistance for retired Moravian pastors, bikes for evangelists, and Bibles for church schools. Your financial gifts will help to continue this work. We continue to seek the guidance of Bill and Peg Hoffman, so that our contributions may be used effectively.

Reduce, Reuse, Recycle

- Celebrate Earth Day! Get involved in your local community's 'clean-up' day.
- Do you have electronics or hazardous waste you wish to recycle? Check out these websites (for Northampton and Lehigh Counties) to find out more information:

<https://www.northamptoncounty.org/PUBWRKS/ENVSVC/Pages/Electronics-Recycling.aspx> <https://www.northamptoncounty.org/PUBWRKS/ENVSVC/Pages/HHW.aspx>

<https://www.lehighcounty.org/Departments/Solid-Waste-Management/Electronic-Waste>

<https://www.lehighcounty.org/departments/solid-waste-management/household-hazardous-waste>

- Write a letter or make a phone call to your legislators (federal, state and local) to advocate for the environment and responsible climate change policies. Urge the City of Bethlehem to enact a single-use plastic bag ban!!
- Do your perennials need dividing? The Busy Workers will be glad to accept donations of hosta, iris, peonies, coneflowers, daisies, spring bulbs, etc. for their plant sale in May. Check *The Belfry* and *Constant Contact* for details.
- Have a meatless meal at least once/week; better for you, and better for the planet! And try to eat beef only one meal/week.

Stewardship One-Liner

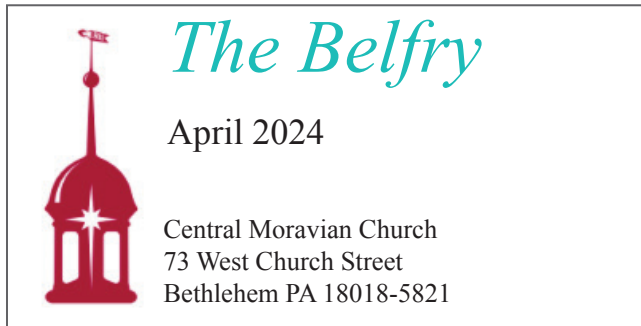

Faith in God's abundance frees us to open our hands in generosity.
