The 1751 Old Moravian Chapel and the Central Moravian Church Sanctuary built from 1803-1806 are available for weddings of non-members. Scheduling of weddings is done through the Central Moravian Church Office, with final approval given by the Senior Pastor. Once approval is given, the couple will be assigned a pastor, organist, wedding assistants and custodian. You may choose to have your own clergy person officiate the wedding, however, one of our pastors will be present for the rehearsal and ceremony as well, and it does not reflect on the package price.

A $1,000 deposit to hold the date will be required on the total fee of either $2,500 for the Chapel or $3,250 for the Sanctuary. The deposit becomes non-refundable 3 months prior to the wedding. An invoice will be sent and the final payment is due one month prior to the wedding. All checks should be made payable to Central Moravian Church.
